

SHARING
REAL LIFE AND REAL HOPE
THROUGH CHRIST-CENTERED
MUSIC AND TEACHING

"Listening to Prayz network reminds me constantly of God's amazing love and presence in my life. This world is very good at distracting us from the truth and pushing us to believe more in ourselves than God; who is the only one that heals and saves us, not ourselves. SO...the Prayz network helps keep the focus and praise where it belongs; on our Creator, Savior, and Counselor. Thank you for that."

"Whenever I am struggling with my depression, anxiety, or life struggles in general, I can quickly turn on the Prayz Network. Almost every time, there is a message from Jesus that feels like He's talking right to me! The Prayz Network is an amazing gift from God! Not only the songs, but the great messages from the various pastors throughout the day...love it all!"
