

Thank You for your Service!

With respect, from:

A PRAYER FOR LAW ENFORCEMENT

As you face the challenges of each new day, May God grant you the strength and wisdom you need.

As you stand watch over our community **to serve and protect,**May God watch over and protect you.

As you put your life on the line and wonder if it is worth it, May you know that it is, and that you are appreciated more than you know.

May God grant you, and those you love, peace and safety today and always.
